MERCHANT SHIPPING NOTICE

MSN 1797 (M)

Approved Medical Practitioners with effect from 1 May 2006

Notice to all Shipowners, Agents, Masters, Seafarers, Approved Medical Practitioners and Medical Referees.

This Notice replaces Merchant Shipping Notice MSN 1793(M) and should be read in conjunction with MSN 1765 (M) which gives details of the medical examination system and lists the medical and eyesight standards.

Summary

With effect from the 1 May 2006 this Notice updates:

- the list of **medical practitioners** approved to carry out seafarer medical examinations (Appendix A)
- the list of **companies** with doctors approved by the MCA to conduct seafarer medical examinations on their company employees ONLY (Appendix B)
- those approved **Healthcare providers** with whom contractual services for the provision of ENG1 medicals may be arranged (Appendix C)
- **Medical Referees** appointed to carry out seafarer medical reviews (appeals) (Appendix D)

and

provides information on the appointment of MCA approved medical practitioners.

1. Introduction

1.1 The Merchant Shipping (Medical Examination) Regulations 2002, as amended, make it a legal requirement for any seafarer (as defined in the Regulations), to hold a valid certificate attesting to their medical fitness for the work for which they are employed. Seafarer medical certificates are valid for a maximum of 2 years.

1.2 The requirement for a medical fitness certificate does not apply to anyone employed on a fishing vessel, a non commercial pleasure vessel, an offshore installation while on its working station or to those specified in paragraph 2.2.2 of MSN 1765(M).

2. Acceptable Medical Fitness Certificates

2.1 These are :

- (i) a certificate (known as an ENG1) issued in accordance with the provisions of the Regulations by an MCA approved medical practitioner (known as an approved doctor), listed in Appendix A, B and C of this Notice; or
- (ii) a certificate issued by the Maritime Authority of any country listed in MSN 1798 (M). This list is kept updated on the MCA's webpage on: [www.mcga.gov.uk/Seafarer Information/Health and Safety/seafarer medical information](http://www.mcga.gov.uk/Seafarer%20Information/Health%20and%20Safety/seafarer%20medical%20information)

3. Application for a Medical Certificate

3.1 Applications may be made directly by seafarers to one of the approved doctors listed in Appendix A, or by company employees to the doctors listed in Appendix B. The approved doctor is entitled to require payment of the prescribed maximum fee, (currently £63.00), as listed in the current Merchant Shipping (Fees) Regulations, but this cost should be met by the seafarer's employer or company. (Reg 7(4))

4. Appointment of Approved Doctors

4.1 General List - Whilst the number of approved doctors is not finite, appointments are kept under review and are restricted to areas where a need has been demonstrated i.e a requirement for at least 50 medicals a year.

4.2 In the interests of fair and open competition, and for administrative and quality assurance reasons, doctors are only approved to carry out medical examinations at the address to which they are appointed. However, approval may be given to carry out medicals at a subsidiary address of the same practice if in close proximity to the main surgery. The appointment is not transferable to any other location or practice without the approval of the MCA. The appointment is also not transferable to any other doctors in an approved doctor's practice either on a temporary or long-term basis.

4.3 When a need has been identified, for example as a result of an existing approved doctor retiring or moving away, or due to increased demand in an area, the normal practice is for the MCA to advertise the vacancy through local NHS structures amongst all GPs in the locality. Any suitable applicant who has approached the MCA separately at any time will be kept on a waiting list, and notified when a vacancy in their area has been advertised. All applicants are considered by the Chief Medical Adviser and MCA in relation to their training, competence and facilities and the successful applicant is appointed for one year at a time.

4.4 Overseas - The MCA's approved doctor system is established to provide a service essentially for UK seafarers, i.e those holding UK certificates of competency and/or working on UK vessels. This means that most approved doctors are based in the UK although, where the need can be specifically demonstrated, MCA may approve doctors overseas in countries whose certificates are not recognised as equivalent. However, for ease of administration and communication, and for audit and quality assurance reasons, the appointment of approved doctors abroad is strictly limited.

4.5 Any suitably qualified medical practitioner who would like to be considered for a vacancy if and when one arises should contact the MCA's Seafarer Medical Administration Section at the address below.

4.6 Company Appointments - Where a company or organisation employing seafarers has a requirement for a comprehensive medical service as well as the performance of statutory medical examinations, it may apply to the MCA for a doctor(s) from the General List to also act as their approved company doctor, or request approval of their own employed or contracted medical staff to carry out seafarer medical examinations for their own employees only.

4.7 Commercial Healthcare Providers - To support the supply of doctors available to companies and manning agents who require a comprehensive seafarer health support service, a commercial healthcare provider may apply to the MCA for approval at any time, solely to undertake work for a long-term contract(s) for one or more maritime employers, subject to meeting relevant appointment criteria.

Details of approved healthcare providers are published in Appendix C for companies to approach should they wish to.

5. Latest updated information

5.1 This Notice is updated and issued annually. In addition, the lists at Appendices A, B and C are updated monthly on the MCA's webpage at:

[www.mcga.gov.uk/Seafarer Information/ Health and Safety / Seafarer Medical Information](http://www.mcga.gov.uk/Seafarer%20Information/Health%20and%20Safety/Seafarer%20Medical%20Information)

5.2 Further information on the contents of this Notice or any aspect of seafarer medical certification is available from any of the approved doctors listed in the Appendices, or the MCA at the address below;

RS Occupational Health 8 Craigshaw Road West Tullos Aberdeen AB12 3AQ <div style="text-align: right;">Tel : 08700 503456</div>	Dr A Goodge Dr N A Forbes

MEDICAL REFEREES

Any seafarer (including new entrants) found permanently unfit (Category 4), or fit only for restricted service (Category 2) or whose medical certificate is cancelled or suspended for more than 3 months by an approved doctor, will be issued with a Notice of Failure/Restriction form (ENG 3), giving them a right of review (appeal) by one of the following independent medical referees appointed by the Secretary of State for the Department for Transport.

Applications for review should initially be made to the MCA's Medical Administration Section at the address on the form. Referees should not be contacted direct.

Dr S Boorman – Fleet
Dr K Hartington -- Portsmouth
Dr G Helliwell – Hexham
Dr C Ide – Coatbridge
Dr R Philipp – Bristol
Dr S Robson – Manchester
Dr S J Ryder - Inverness
Dr D Watson – Great Yarmouth
